2. Llegiu text següent i responeu les preguntes.

Dear Rose,

I am writing to tell you I have passed my exams! I'm so happy! It was very stressful but I did it! My parents are very pleased and they are going to buy me the bicycle I have always wanted. Well, apart from that, I'm going to have a party to celebrate and you are invited. It will be in two weeks, on Friday evening. It will be at a disco near my home. There will be music, food and lots of nice people like you! I am going to wear a long red dress, I want to look very smart for the occasion. You can tell your brother to come (I haven't talked to him for a long time!) and your boyfriend too, of course, I don't know him yet and I'm really curious...

I really hope you can make it. Please, answer me as soon as possible.

Kisses,

Margie
