2. Llegiu text següent i responeu les preguntes.

Dear Breda,

I've finally arrived in Barcelona! The flight was fine but I was a little tired so I took a taxi to my host family's address. They live in a nice area but there aren't a lot of parks. There's also a lot of traffic and it is quite noisy but there are some good things too. The shops are fantastic, especially the clothes shops, and the restaurants and cafeterias are very pleasant and not more expensive than at home. My host family are very nice. Joana, my host mother, is a nurse and she works most evenings. The father died two years ago. My Catalan sister, Laia, is 15 but she's very tall, much taller than me! She's very friendly and we have the same hobbies.

Well, I'll write to you next week, when I have more news.

Big hug,

Karen
