2. Llegiu el text següent i responeu les preguntes:

Dear Pete,

Last Monday we had an unpleasant surprise. We had been away all weekend. This is very unusual because we usually stay at home. Anyway, we saw the door was open immediately after getting out of the lift. The furniture was broken and everything was on the floor. Fortunately they didn't do anything to Tweety, my canary, which was singing as usual. The thieves didn't find the place where I keep my money because it was well hidden in the kitchen. We called the police, they arrived at our flat in just five minutes. We are hoping they will soon discover who it was. Now we'll have to change the door and buy new furniture!

Love,

Joe
